

Teach your students to effectively learn and use numbers in Maori

- from 0 to 1,000,000

Maori Number Cards Class Set is an indispensable resource for teaching Maori numbers in class.

Used in a variety of ways: in pair work or group work, Maori Number Flash Cards help students to learn numbers faster and consolidate their knowledge.

They are excellent for training and developing memory skills or as revision activities.

Features:

- 24 sets of 14 double sided cards per pack.
- Numbered 0 to 10, plus 100, 1000 and 1,000,000.
- Free audio download of the spoken numbers by a native Maori speaker.
- Game ideas, writing practice sheet, number chart downloadable from our website.
